kids need a break too

Dolfi Kids Club provides a fantastic opportunity for the younger members of your family to have their own holiday. Fully supervised, there's plenty of games and activities. It's enough to make the adults jealous...

just relax...

It can be stressful deciding which of our several swimming pools to relax by, whether you should take a walk along the sweeping white sands of Palm Cove beach or if perhaps a friendly game of tennis is the way to go. Instead just relax and pamper yourself with a Spa treatment at our Massage, Beauty & Hair Salon.
